

Seminar of digital democracy • session #1

Today is about...

...introducing ourselves.

...kicking things off.

- **Who are you?**
- **Where are you from?**
- **What do you study?**

- **Why are you here?**
- **Why did you choose this seminar?**
- **What do you want to learn?**

Let's kick things off.

Purpose of the seminar

Topics

Teaching methods

“I'm not here to teach you anything, I'm here to help you learn.”

100 Evaluation methods

Learning things, not taking or passing an exam.
